**Area Variance [ ]**

An area variance of \_\_\_\_\_ is requested.

In determining whether to grant an Area Variance, the Zoning Board of Appeals must consider the benefit to the applicant if the variance is granted, as weighed against the detriment to the health, safety and welfare of the neighborhood or community by such grant.

Therefore, please provide the following information for the Zoning Board of Appeals consideration on back of form. Attach additional sheets if needed.

1. *Why is the area variance wanted or needed?*
2. \_\_\_\_\_  
*How did the problem arise that now makes an area variance necessary or desired?*
3. \_\_\_\_\_  
*Will an undesirable change be produced in the character of the neighborhood or a detriment to nearby properties be created by the granting of the area variance?*
4. \_\_\_\_\_  
*Will the proposed variance have an adverse effort or impact on the physical or environmental conditions in the neighborhood or district?*
5. \_\_\_\_\_  
*Is the requested area variance substantial?*
6. \_\_\_\_\_  
*Is there some other method feasible for you to pursue other than an area variance?*
7. \_\_\_\_\_  
*Is the alleged difficulty self-created? (Which consideration shall be relevant to the decision of the board of appeals, but shall not necessarily preclude the granting of the area variance.)*

**Use Variance [ ]**

A use variance of \_\_\_\_\_ is requested.

In determining whether to grant a Use Variance, the Zoning Board of Appeals must consider that applicable zoning regulations and restrictions have caused unnecessary hardship. For each and every permitted use under the zoning regulations for the particular district where the property is located, the applicant must demonstrate the following. Attach additional sheets if needed.

1. *The applicant cannot realize a reasonable return, provided that lack of return is substantial as demonstrated by competent financial evidence.*
2. \_\_\_\_\_  
*The alleged hardship relating to the property in question is unique and does not apply to a substantial portion of the district or neighborhood.*
3. \_\_\_\_\_  
*The requested use variance, if granted, will not alter the essential character of the neighborhood.*
4. \_\_\_\_\_  
*The alleged hardship has not been self-created.*
